I am afraid a gratuity is ruled out of the question. It will be subversive of all sound principles of converting a pension into a gratuity.

Half pay (being leave allce due for leave on med. certe.) was paid till date of death. Hence no question of pension necessary

Sir,

I beg to state that my health is not likely to permit me to return to duty in the near future and request, therefore, that I may be permitted to retire from the service.

2. As regards the pension that Government may be pleased to grant me, in the event of my being allowed to retire as prayed for by me, I beg leave to submit the following lines for your gracious consideration and kind support. I have put in a little over 20 years' service and may perhaps be entitled to a monthly pension of Rs.23/- or so; but I am afraid that, owing to the serious nature of my present illness, I may not be destined to fealise the benefit of such a pension for long and I request, therefore, that Government may be pleased to grant a gratuity instead of a pension. I am aware that this is a concession that is not allowed as a rule but shown by Government in special cases. I pray for a similar treatment in view of the circumstances mentioned below:-

My work has not been confined to what generally falls to the lot of an Office Clerk and I have on several occasions been entrusted with the responsible task of making arrangements for long tours and reception and entertainment of State Guests for the Dasara festivities of several years. I may mention that I was one of those deputed for duty in connection with His Highness the Maharaja's visit to Burmah during the period of Regency. The several Officers under whom I served have testified to the manner in which I discharged this work.

UNDER SECTION 51 OF THE CIVIL PENSION CODE.

The form of the certificate to be given respecting an officer applying for pension in India is as follows :—

Certified that I have carefully examined J.S. Bheemasena Rao son of Srinivasa Rao, a Second Grade Clerk in the General and Revenue Secretariat.

His age is, by his own statement, 44 years, and, by appearance, about 45 years.

I consider him to be completely and permanently incapacitated for further service of any kind ~~(or in the Department to which he belongs,)~~ in consequence of Phthisis

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

(If the incapacity does not appear to be complete and permanent, the certificate should be modified accordingly and the following addition should be made :-)
